

Shani Traps a Crab

There are Shani and Rina in their sandpit.
Rina has a red hat.

There is a crab in Rina's hat!
"I can't stand crabs," said Rina.

She ran and did a handstand !

Her hands are in the sand.
Crabs nip hands!

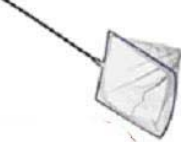

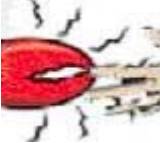

Shani said, "Crabs aren't bad.
I can trap the crab in a net."
Rina said, "Trap the pest !"

The crab ran past Rina in the sand.
Then Shani traps their crab.
She kept it in the net.
It can't nip Rina's hands.

Checkers

To play: Each player needs 12 checkers (buttons, playing pieces) of one color. Place them on the three rows of white squares closest to you. Play checkers! Each time you move a piece, read the word from the square you leave and the one you land on (and the one you jump, if you are jumping an opponent's piece). If you reach the far row containing the crowns, "king" the piece by stacking a second piece on top of it; kings can move on the white squares in any direction.
