

Shana, Mash the Sheep, and Dash the Fish

This is Shana. She has a fuzzy pet sheep. The sheep is big but cute. Her sheep's name is Mash.

Mash is sad and lonely. She has no pet friends. She said to Shana, "I wish I had a friend."

Shana wants Mash to have her wish. But she doesn't have room for more fuzzy sheep. Shana thinks and thinks. Then she smiles.

Shana quickly goes to Shalom's pet shop. She finds a quiet, shy fish to be a friend for her sheep Mash. Shana puts the shy fish in a bag and goes home to Mash.

She puts the fish in a deep glass dish and brings it to Mash. "This is a fish friend for you!" Shana tells Mash.

Mash likes the fish. She is very happy. "We need to give it a name," thinks Mash.
