Hickey Jeopardy (1-15)

Jeopardy game focusing on Hickey Spelling and Grammar and Spelling rules through Lesson 15

by Avigayle Adler & Louise Lallouz

Note: Teacher will need to read questions aloud to students as not every written word has been taught. Alternatively, the teacher could add a Hebrew translation of each question on the question card. (If anyone does add a translation, please send us a link to your edited game: openstudiojlem@gmail.com and louiselallouz@gmail.com)

The game can be edited, copied and used as a template for additional lessons.

Instructions for playing the game we created:

1. Go to https://www.playfactile.com/hickeyjeopardy on the class computer/projector screen. If you don't have an internet connection, print out the questions ahead of time and write the categories and points chart on the board. Erase each option as questions are answered.

2. Decide on number of teams and divide class accordingly (could be by rows, etc) and enter into website with team names.

3. Play game.

Instructions for creating your own game:

To create your own game use **https://www.playfactile.com/signup**

- Create a password and sign up

- Decide what rule you would like to focus on

- Click on "create a new game"

- Choose Your Custom URL-Name your game

- Click Save and Continue

- Enter Factile Game Title above

- Click on categories and name your category selections

- Click on $ value and type in questions and answers and hit Save

- The higher the $ amount the harder the question

- When finished with filling in the table and the final factile round and make it a difficult question

- Feel free to click the share option on the right side

- Start playing your game and enjoy!

- Save link to copy and paste and use in classes or share with others.
