

Huge Orange in Alaska

On Sunday, before baking the cake, the cook sat looking at the paper.

On the front page she sees, "Huge orange on tree in Alaska!"

"Oh, I need that orange for my cake. I shall fly to Alaska to buy that orange."

She grabbed her wallet and rushed off to buy a plane ticket.

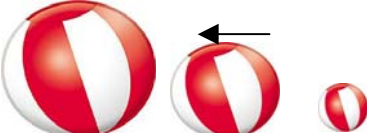

"Pay five hundred dollars to fly to Alaska, lady," says the man, "and it takes a day to get there!"

"That's an expensive orange," says the cook. "Maybe I will just go to the store to buy three large oranges in place of one huge orange?!"
