

A Party for Mary

Jill and Al **planned** a big party for Mary. They **cooked** food, **baked** a cake, and **picked** a sweet gift.

When Mary **opened** the door, all the kids **jumped** up!

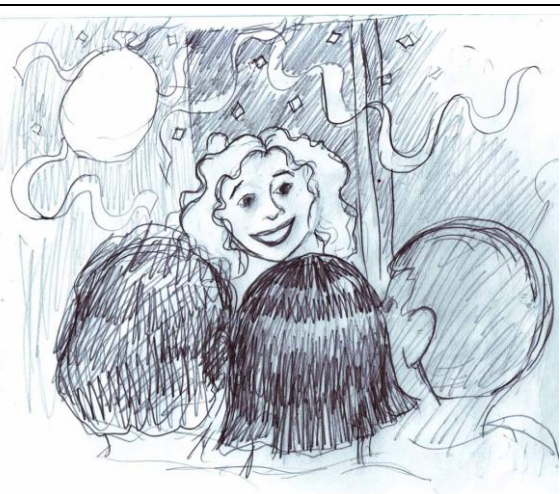

Mary was **stumped**!
She **rubbed** her eyes.

She **hugged** and **thanked** Al and Jill. She **asked** them, "Is there a mistake?"

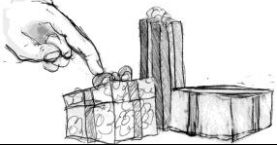

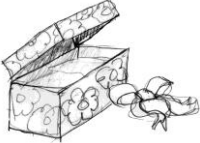

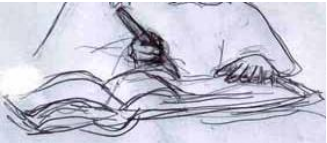

Al **talked** with pride. "You **studied**! You **worked** hard even if it wasn't fun."

"You **finished**, as we **hoped** you'd do. We salute you!" "Good job!" they all **yelled**.
