

Cool People

Tom and Greg were best friends. They liked Betsy from their class. She was very nice!

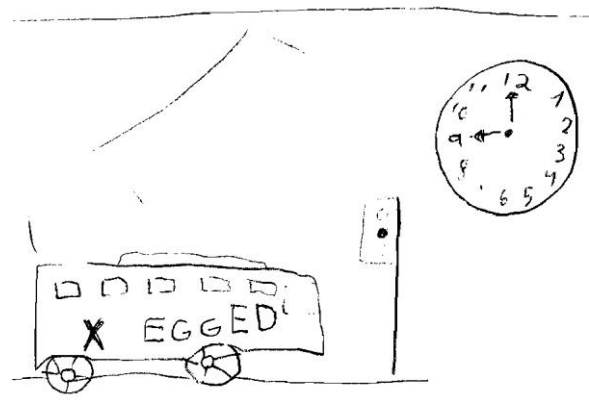

They remembered that Betsy gives free samples to people shopping in the middle of the mall.

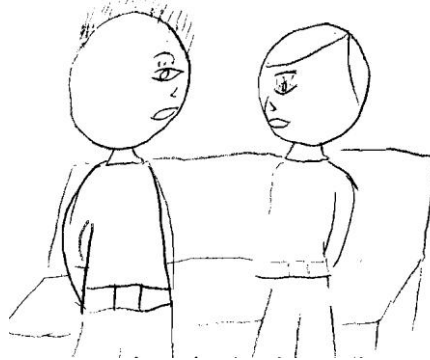

They asked Uncle Nick, "May we go to the mall? There are cool people there! It's a cool place!"

Did Uncle Nick let them go?

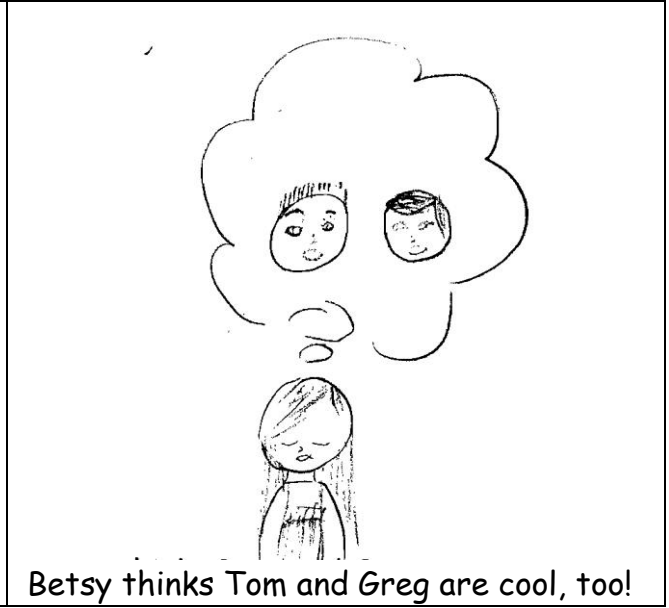

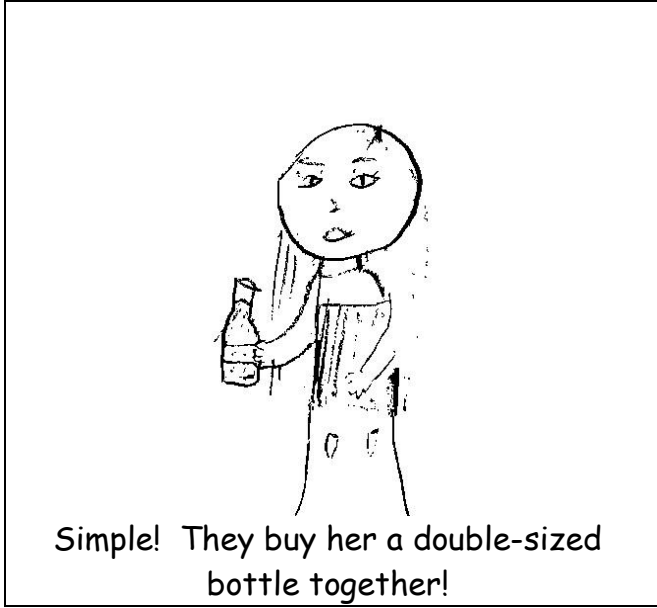

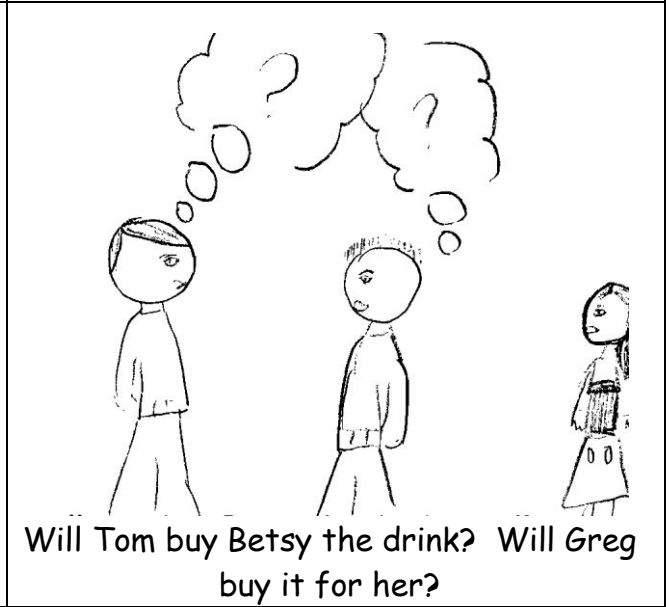

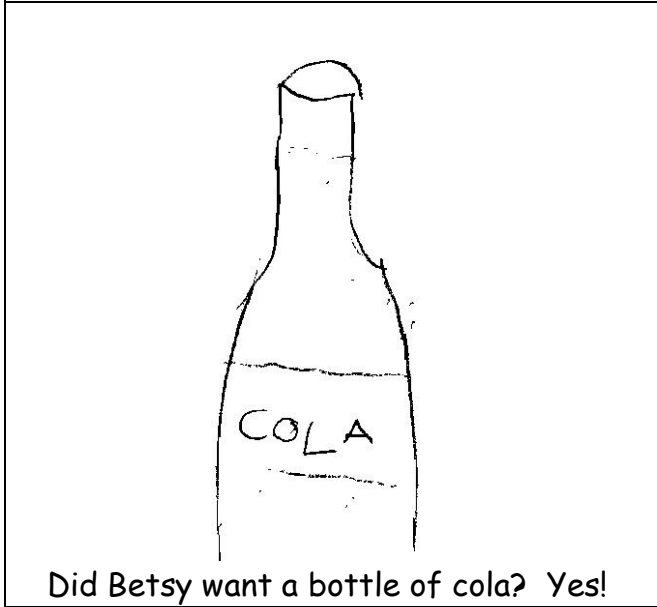

Uncle Nick said, "You may go if you are able to leave by 9:00 to get the bus." Hurry!

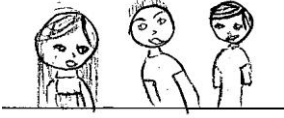

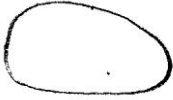

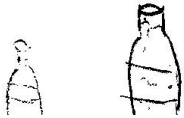

They looked good!
