

June's Music

June is a cute mule.
June just adores music!
June the cute mule has a flute
to make music in a band.

Happy tunes come from June's flute!
But, June's flute isn't in tune.
The rule in the band is:
flutes must be in tune!

June must mute her flute if it isn't in
tune.
The band refuses to let her make music.

June tunes her flute.
The flute is in tune!

June can make music on the flute.
It's not mute anymore!

The band's rule is that in-tune flutes
can come back.
They can't refuse the music of the cute
mule June and her in-tune flute!

Snakes and Ladders

Preparation: Glue board on stiff back and cut out (lamination optional).

Play: Roll one or two dice and move your "soldier" forward. When you land on a square, you read the word aloud. If you land on a ladder you climb up. If you land on a snake you slide down. If you know the definition of the word, you can choose to have another turn (or if you landed on a snake you can choose not to slide down.)

The first person to reach 100 wins. (Or make up your own rules.)
