

Picnic in the Dark

Kate and Dan want to make a party in the park. Kate wants to invite lots of kids.

Every kid comes to the party. It is very dark and hard to see.

Dan was in the army and is prepared. He has many candles in the car.

Dan gives every kid a candle. The candles are lit...and the kids see bats flying in the sky! Near the stars!

Despite their panic, they start to jump and dance and play and eat their picnic.

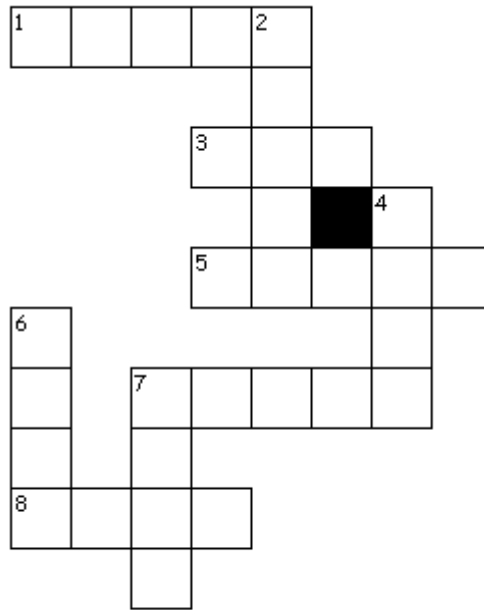

The party was fun. Everyone had a fantastic time and went home happy.
