

### David's Puppy

David lives in Tel Aviv. He loves dogs.

His mum and dad don't want a dog. It's a very big job.

They tell David, "You must prove that you can care for a dog. Make your bed every morning and do the dishes every evening, and then you can have a dog."

David does everything they ask. He even takes care of the baby!

Mum and dad are very glad. They tell him, "You did a wonderful job. You can have a dog."

"Fantastic!" said David. That evening, he goes to buy a puppy at the pet shop.
