

Kate Bakes Cakes

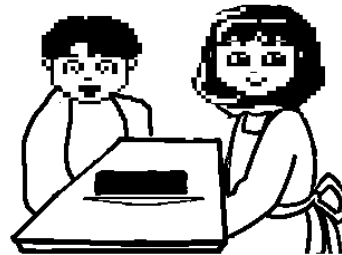

My name is Mike.

Her name is Kate.

This is my dad.

Kate made me a cake.

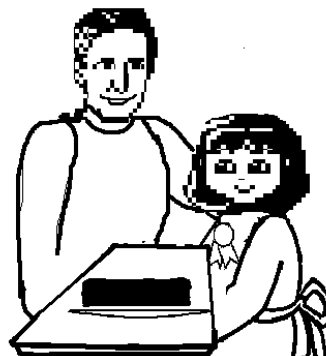

I ate all the cake  
and had little milk.  
The cake made me happy.

Dad is a little sad: he had milk -  
I ate all his cake.

Dad hasn't any cake.

Kate is the best.  
She bakes Dad the same cake.  
Happy Daddy!

## **THE GAME CALLED 'SNAP'**

**Equipment:** Eight sets of rhyming words

**Purpose:** To reinforce the a-magic-e words learned in this lesson as well as vocabulary words from past lessons that appear in the story or rhyme with these words.

**Preparation:** Photocopy sheets with words and glue them onto same colored paper. Cut into individual cards and shuffle.

**Method:** Teacher and student play together. Cards are dealt out to each player. The student turns over the top card and reads the word, then the teacher turns over her top card and reads the word. If the words on the cards rhyme the first one to tap the cards and say 'SNAP' gets the cards. If the cards do no rhyme then they are left in the middle until there is a rhyming set when the winner takes them all. If there are no rhyming sets and no cards left just start over by dealing the cards left in the middle.

The winner is the one with the most cards or all the cards at the end of the game
